

Dear Parents,

Hello and welcome to Marist Junior Netball 2015.

If your daughter would like to play NSG SET Modified or Junior netball this year, please read the netball attachments. I (Jenelle O'Reilly) will hold a meeting outside the canteen Friday 6<sup>th</sup> March at 9am for all questions.

#### Required Forms

All **Junior Players** need to fill out the St Mary's Registration Form. Parents and players please read and sign the Code of Conduct and return to the office. Payments/Rego must be made online.

Parents must be prepared to do canteen and Sausage Sizzle roster. Failing to do so this year will result in Fines and loss of team premiership points.

These are the conditions you agree to abide with when you choose to play netball with a team from St Mary's Catholic Primary School.

All signed Code of Conducts must be returned to the office by **Friday 16<sup>th</sup> of March 2015.** **Sorry but No late enrolments will be accepted.** Once the forms are in, I will place the girls in a team. (Teams at St Mary's are done by DOB). I will Register the teams with BNA, you will then need to register your daughter online. **Once notified as to which team your daughter is in, you will then need to register and pay your fees to BNA ONLINE.**

Juniors 10-13 age \$150

NSG Net 5-7 age \$85.00 including Pack

NSG Set 8-10. \$115 including Pack

First game for NSG Modified and NSG Skill is Saturday 16<sup>th</sup> of May and juniors commence Sat 02nd May. With the NSG Net Set we may run on a Wednesday after school instead of Saturdays depending on the interest from those involved.

#### Netball Uniforms

##### Juniors

These uniforms are the property of the school. Naturally, for longevity we want to keep them in the best condition that we can and ask that they are washed and treated with care. So please keep your uniform for game day only. All uniforms will be collected by your coach after the last game, so please bring a change of clothes on that day.

##### NSG SET Modified Uniforms

NSGM are to wear their sports uniform. Being their sports t-Shirt and a royal blue pleated netball skirt (due to no longer having the SKORTS). Netball WA rules stipulate that you cannot play in shorts and the individual will be unable to participate in the game.

### Footwear

**All players must** wear proper sports shoes – **no skate shoes, casual shoes, surf shoes** etc. **This is a by-law of the Association and players will be prevented from playing in inappropriate footwear.**

### **UNIFORMS**

This year there is a \$20 non-redeemable bond for the uniforms. As we have loaned these out for the last 3 years at no charge, it is becoming more apparent that we charge a fee, as the quality of the uniforms is deteriorating. This is necessary so when the time comes to replace the uniforms, we have already raised the funds for them.

Every year we take an extra \$10 to cover the wind up. Please bring this in a separate envelope with St Marys Code of Conduct.

**Dear School/Club/team Netball Co-ordinator or Participant,**

**Welcome to the Bunbury Netball Association and here is some information for the 2015 Netball Season. The up and coming season, each team or club will need to have a registrar who can make sure that their team, players have payed and are affiliated.**

**“Why us I hear you say”, simply we do not have the man power/volunteers to do this. The Registrar for St Mary’s Catholic Primary School Marist is Jenelle O’Reilly 0407912701.**

**Netball Australia and Netball WA have made changes to the Structure set up of Netball Competitions within Australia. At BNA we have complied with these structural changes and following are the Netball programs and competitions which will be offered in season 2015. Bunbury Netball Association Inc. fees include BNA fee, SWNR fee, Netball WA fee & Insurance. (Inclusive of member insurance)**

**First Structural change is that all NSG Net Coaches must now have their Foundations Coaching Accreditation or do a NSG training day, believe me quicker to do Foundations and you end up with**

an Accreditation, knowledge, program and insurance. Do not fear, we will have this up and running for you and it is not scary at all.

Did you know that as a coach/umpire you need to be affiliated with Netball WA! If you have a fall at training or at the game and you are unable to work, you may be able to make a claim through your NWA insurance. Being a WA netball member also allows you to access endorsed coaching/umpiring courses through Netball WA.
