## A Prayer for the holidays

Dear Lord, how we've waited for this holiday, and now it's finally here. Thank You, Lord, for the opportunity to take a break from our daily routines and to replenish our minds, bodies and souls so that we may better serve You. Sometimes our expectations for holidays are unrealistic, and we find ourselves disappointed when things don't go our way. Help us not to worry about having the 'perfect' holiday but to relax and enjoy every moment, whatever it may bring. We are grateful for the joys that await us - whether they be the beauty of your creation, recreation with family or friends, or peace and solitude. Watch over us and protect those of us who may travel, and bring us safely home again refreshed and renewed. *Amen.*

Dear Parents, Students and Friends,

## Principal's Welcome

On Tuesday we celebrated Our Lady of Perpetual Help Feast Day. We started with Mass with Fr Abraham and the chapel was decorated with art work by the Year 1 and 6 classes dedicated to Mary. Following on from Mass, we held the traditional Mission Market Day. Thank you to all families who donated food, books and items for our stalls. Our Year 6 students did a fantastic job coordinating a wide range of activities from the Haunted Maze and face painting to a Parkour course. The tally raised from all of the stalls was \$1050 which is a wonderful achievement.

NAIDOC celebrations continued this week with Mr Alberti giving students the opportunity to taste kangaroo stew which proved very popular. He has had several requests for the recipe!

I would like to take this opportunity to thank staff, students and parents for their commitment this term to making St Mary's such a wonderful place to learn and wish you a safe and happy holiday.

God bless

Paul Cronin

## The Story of Fatima

The Blessed Virgin Mary, the Mother of God, appeared six times to three shepherd children ("The Three Seers") near the town of Fatima, Portugal between May 13 and October 13, 1917. Appearing to the children, the Blessed Virgin told them that She had been sent by God with a message for every man, woman and child living in our century. Coming at a time when civilization was torn asunder by war and bloody violence, She promised that Heaven would grant peace to all the world if Her requests for prayer, reparation and consecration were heard and obeyed.

"If My requests are granted ... there will be peace"

In response to Our Mother's request, we are inviting everyone to join us in our prayer gatherings held at the St. Patrick's Cathedral every Tuesday night and 1<sup>st</sup> Saturdays of the month.

## AUTRALIA'S BIGGEST MORNING TEA

Staff took part in Australia's Biggest Morning Tea last week to raise funds for cancer research. Several staff volunteered to cook for the occasion. A total of \$195.00 was raised.

## **Nature Play Competition Winners**

Congratulations and thank you to all of the students who entered our Nature Play competition. The Nature Play Committee spent hours going through all of the wonderful entries. The book award winners who met at Collins Book Shop yesterday to choose their prizes were: Brady Emerson, Ned Pemberton, Kody Hopley, Grace Richardson, Niamh Hamill-Harling and Louis Best. You can expect to see Ned and Leo Pemberton in next week's edition of the Bunbury Mail showing of their entries.

More from Mr Cronin...

**ANXIETY PARENT SESSION CANCELLED**

I have received notification that the parent session that was planned for 5 July at St Mary's has been cancelled. The presenter was coming down from Perth to run a series of workshops in Bunbury over the week and while we had a healthy number of parents keen to attend, they had received little interest for other planned sessions so they are not coming to Bunbury.

**REPORTS**

Yesterday student reports for Pre Primary to Year 6 were sent home. We have had a few parents contact the school because their children's grades have changed from last year. Curriculum expectations can change significantly from year to year. Teachers refer to the School Curriculum and Standards Authority website for programing and assessment guidance. Below is an extract that may help to explain student grades:

*Judging standards is a tool to support teachers when reporting against the achievement standards for each year of schooling; when giving assessment feedback; and when explaining the differences between one student's achievement and another's. The achievement standard describes an expected level that the majority of students are achieving or working towards by the end of that year of schooling. Some students will have progressed beyond the achievement standard; others will need additional support. The expected standard for each year is described as 'C' or Satisfactory.*

*'As reporting student achievement in terms of grades is a broad classification of performance, each grade represents a wide range of student ability. Many students will be given the same grade in semester 1 and semester 2, even though their teachers will have observed growth in learning. Bearing in mind that work in Semester 2 builds on Semester 1, maintaining a grade indicates students have held their own in the face of more advanced material and in this way have grown in their learning' (Western Australian Curriculum and Assessment Outline, Assessment Principle 5-Assessment should lead to informative reporting).*

Ref: <http://k10outline.scsa.wa.edu.au/home/assessment/judgingstandards>

If you have any concerns about your child's report, please do not hesitate to make an appointment to see your child's teacher.

**STUDENTS' PICTURES OF OUR LADY OF PERPETUAL HELP**

Annually, 3,200 Australian families experience the sudden and unexpected death of a baby or child. **This has to stop.** Through world-class research, advocacy and education we passionately believe we can put an end to this. Red Nose relies on the generosity of the community through Red Nose Day and other fundraising events, and our partnerships with small businesses and corporations. Our Grief and Loss services and Indigenous programs are partly funded by Commonwealth and State Governments. St Mary's CPS will hold Red Nose Day on Friday 21 July (First Friday back at school. Fundraising Merchandise will be available for purchase on the day.

Can the owner of 'Rubble' the English Bulldog from Paw Patrol, please collect him from the office as he is currently unable to help with his construction related work fixing train tracks and carrying supplies to fix damaged buildings from his current perch. He is also quite afraid that if he is left there during the school holidays, spiders might come and bother him while everyone is away (and he's terribly afraid of spiders!)
