

**St Mary's P&F Meeting
Tuesday 20 August 2019**

PRINCIPAL'S REPORT

Welcome to tonight's meeting.

In the last edition of the newsletter I thanked the P&F for the iPads and early childhood bench and table sets that the school has been able to purchase. I included photos of our students showing off the items. The extra iPads means that teachers can allocate an iPad to each student in their class which is beneficial in some lessons. The tables with built in benches enable the 3 Year Old, Kindy and Pre Primary students to eat their lunches outside and not have to sit on the ground. In this week's newsletter you will see the Lego boxes in action. The Lego has been used at different times of the day across year levels.

A huge thank you to Jenelle O'Reilly for coordinating this year's Football Tipping. Jenelle was able to get several local businesses to sponsor this year's tipping including:

BUCKINGHAM MEATS
EASTMAN & CO
AUTO ONE
THE POTTED WAREHOUSE
BUNBURY AUTOMOTIVE SPRAYPAINTERS & PANELBEATERS
IGM CONSTRUCTION
BHR PAPALIA

The last three weeks of tipping have been kept secret and we are having a tipping presentation night on Friday 6 September. We will watch the first of the finals on the big screen and have a 'Brownlow medal' type count to find the winner of the \$1000 first prize during the half time break. Those attending can bring their own drinks and we will order some pizzas.

Our new school website has a P&F section under the heading of 'Our School' and that is where you can find copies of the P&F Meeting Minutes.

This Friday we will be celebrating Book Week with the P&F kindly paying for our guest author Dianne Wolfer to visit.

Thank you again for your ongoing support and help in making St Mary's such a great school.

Regards,

Paul
