YR 5'S DEMAND CHOOK BUCKET CONTENTS TO CHANGE!

The Year 5 students have a very important role, taking care of the chook buckets. The chook buckets are for food scraps only. The current chook bucket monitors are Chevy Males and Stella Dean.

"Please, we only would like scraps of food, not whole pieces of food that are perfect to eat," said Stella.

If you don't want your fruit, take it home and give it to someone else to eat, then we aren't wasting perfectly good food. "Don't put plastic in the chook buckets, only fruit and vegies," said Chevy.

The chook buckets are only for fruit and veg scraps. There are other bins around the school for the other things.

"I've seen a lot of people put whole fruit in.

We need to change this," exclaimed Emily.

WHAT'S YOUR FAVORITE THING TO DO OUT OF SCHOOL HOURS?

We interviewed some kids to find out their favorite thing to do at school.

Milla Richardson

My favorite subject is Maths. I like learning about division.

We have also been learning about shoes. My favourite AR book is 'Clean Break' by Jaqueline Wilson.

Louis Best

My favorite sport is footy. I like to read Specky Magee as an AR book. At lunch I like to play footy with my friends.

SAFETY PAGE!

As you know, staying safe is one of your priorities. Here are a few tips on how to stay safe. This week, it is online safety.

1. Keep passwords secret
2. Never tell people online your personal information, unless you are family and really close friends.
3. Don't agree to meet anyone face-to-face when you have met them online.
4. Do not talk to strangers on the internet.

If you are getting mean things from people online, tell an adult so it can be dealt with. If you don't, then it will never stop unless the person doing it stops.

Swimming Lesson Review

After a fun two weeks of swimming lessons, they have come to an end. Although it was fun, most students were tired out. Many of the students would like to thank the teachers who looked after us on the bus and at the South West Sport Centre. We would also like to thank the swimming teachers on their great effort to teach us new or familiar skills over the two weeks. If you passed well done! If you didn't, that is totally fine, you just need practice because practice makes perfect!

Never Be Bored

You will need:

A toilet roll

Paint

Black texta

Extra piece of cardboard

Fold the top sides of the toilet roll down into the middle to make ears.

Then cut a little slit at the side.

Cut out a tail. Make sure you leave a bit at the end to put into the slit.

Then paint or colour the fox. (including the tail)

When it has dried use a marker to add details.

Slit the tail into the cut at the side.
