Discussions

The idea of a "Colour Run Fundraiser" was presented and welcomed by majority of parents for 2021. Colour Runs have been very successful with other local schools recently. This would be a fresh and new event for St Mary's, with the potential to raise a great amount of money for our school. The idea of using this event to assist with the renovations for the school hall/chapel was discussed.

The year 5 & 6 parent reps are happy to look into this further and present with their ideas next year.
