Prayer

Mother of Perpetual Help, today we face so many difficulties. Your picture tells us so much about you. It reminds us to reach out and help those in need. Help us understand that our lives belong to others as much as they belong to us. Mary, Model of Christian love, we know we cannot heal every ill or solve every problem. But with God's grace, we intend to do what we can. May we be true witnesses to the world that love for one another really matters. May our daily actions proclaim how fully our lives are modeled after yours, Mother of Perpetual Help. Amen

From the Principal

Dear Parents, Students and Friends,
St Mary's staff and students celebrated St Mary's Feast Day yesterday with a Mass and Mission Markets. Thank you to Fr Wayne who came across from Dardanup to lead the Mass. We had a huge variety of stalls for the Mission Markets with classrooms represented as well as Year 6 students selling items as part of their Economics unit they have been doing in class. Special thanks to all the parents who donated cakes, biscuits, lollies, books, lemons and items for the White Elephant stall. Thanks also to the Kindy parents who came along to walk Kindy students around in groups so they could be part of the fun. The Mission Markets raised \$1350 that will be donated to Caritas and Catholic

Missions.

This will be the final newsletter for Term 2 and our students and staff will take a well-earned break at the end of next week after a hectic eleven weeks. I would like to wish our school community a safe and happy holiday, and I look forward to seeing students back at school on Tuesday 20 July.

Year 3 Assembly About the Seasons

The Year 3 class sang a song and danced, and narrated a poem to help explain the four weather seasons. The students also told us how there are six Aboriginal seasons throughout the year. Congratulations to Mr Alberti, Mrs Palumbo and the Year 3 class on the performance.

NAIDOC Week

We will be celebrating NAIDOC Week with activities in the classrooms and there will be a special assembly next Friday, 2 July at 8.45am.

Coloured Sandshoes in Term 3

As previously explained in the newsletter, from the results of the parent survey, coloured sandshoes can be worn on sports days from the beginning of Term 3.

God bless

Important Information

Pre-Primary's Elephant Finding Adventure

Our Pre-Primary students travelled around the school in search of a group of artistic recycled elephants that escaped from their classroom. The elephants were created, using 3L milk bottles and collage, after reading Elmer the Elephant in class as part of the letter 'Ee' focus. Recycling has been a topic of conversation in the classroom and a member of the City of Bunbury's Recycling Education team will visit next term. The class are recording the exploring elephants' adventures in a scrapbook.
